This volume of Elektel Delusion is being released at the same time as Libre's Hidoku Shinaide!
So that's the reason why I tried to write a crossover. Even so, I wonder who's enjoying Shunpei & Fumi's nurse costume...
Moreover, those lace panties... At least that's some proper mens lingerie (laughs)
Also, Sakurada appears after a long time as well. He's only there to get your compassion. Well, it's not that bad. I'm looking forward to your reactions to the cover story, since I know some of you enjoy it (laughs)
Ah, and then... Those who have Libre's one may have noticed... The covers are slightly related!! If you feel like it, you can line them up.

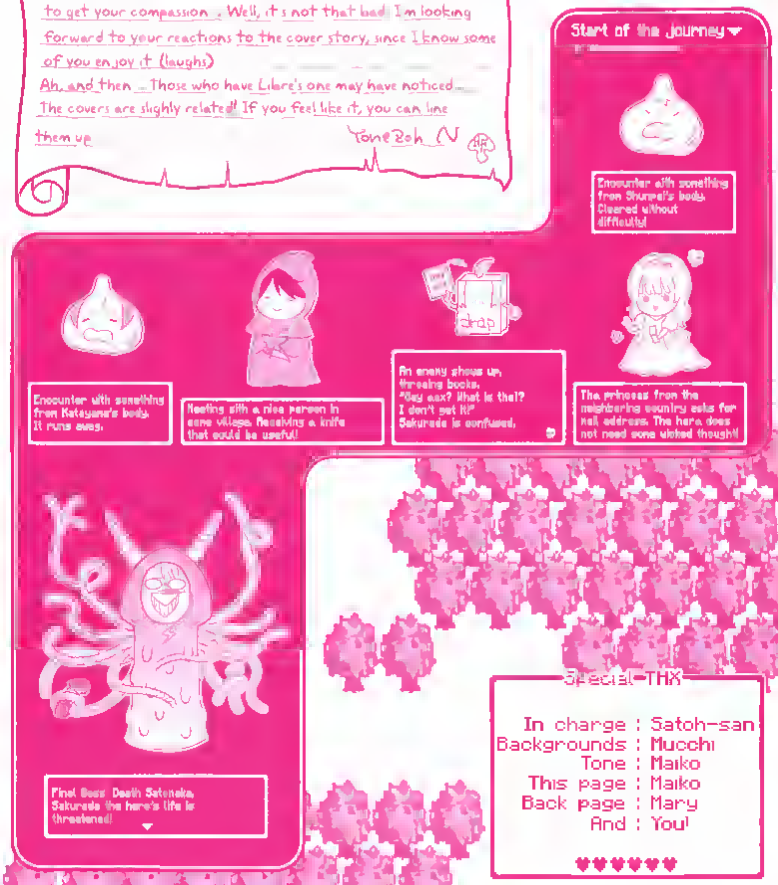
サクラダの冒険



Start of the journey
Encounter with something from Shunpei's books. Cleared without difficulty!
Encounter with something from Katayama's books. It runs away.
Meeting with a nice person in some village. Receiving a knife that could be useful!
drop
An enemy shows up, throwing books. "Hey ass? What is that? I don't get it!" Sakurada is confused.
The princess from the neighboring country asks for nail extension. The hero does not need some wicked thoughts!!
Final Boss: Death Satanoka. Sakurada the hero's life is threatened!

Shunpei's scream rising

Waaa!! It's volume 3!!!
Thank you for reading again this time! The highlight of this volume was definitely Shunpei's feeling good for the first time. Actually I wanted to do more pages about it, but in the end there were less than I expected. Too bad... The sloppy sloppy crying... Shunpei covered in snot!! reconciliation scene is some kind of conclusion to that desire to make him cry

in the first two volumes, it was out of control. What I like to draw about those two is that they do fight a lot, but make up right afterwards. Childhood friends are like brothers so instead of saying "take that back" like usual characters they're like "well, I just said it like that." Being able to draw it that open is nice ♪ (Especially Shunpei~)
Give me your impressions, too!
That's all!!
